

Agricultural Day 2024

Takahe & Tui Information Sheet

Our theme for Ag Day this year is...

Tamariki have been very busy in class making all sorts of **UNDER THE SEA** art that we are looking forward to sharing with you at this years Ag Day on Saturday 28th September.

Each child will create 8 indoor exhibits. These will be displayed in each child's classroom and will be judged by independent people prior to Ag Day. The exhibits will be available for viewing on Ag Day when classrooms open at 11:00am on the day.

To help us complete our indoor exhibits one of the baking items is required to be made at home, and a couple of the floral exhibits that will be made at school will use resources that are sourced and brought from home. Details about what these two exhibits require are on the next page. Please send any items from home in a clearly named bag or container by the indicated due dates.

Visual Art Exhibits: All three of these pieces will be created at school - no home requirements.

Baking Exhibits: One piece of baking will be made at school prior to Ag Day. The other will need to be made and assembled at home, then brought to school on Friday 27th September.

Floral Exhibits: All three floral exhibits will be made at school with some items required to be brought from home for one of them.

Thank you for your support! Please let us know if you have any questions.

Takahe - Mrs Brachi: jbrachi@buckland.school.nz

Tui - Miss Hari: nhari@buckland.school.nz

Sea Creature Themed Cupcakes

Each child will need to bring one cupcake decorated in sea creature theme. This must be created at home and brought to school fully assembled and ready for display please.

You can either bake or buy a pre-made cupcake, then decorate your cupcake using icing, fondant, and any other decorations you need to help make your sea creature creation come to life. This is your chance to be creative!

Sea creature cupcakes must be brought to school ready for display on **Friday 27th September** in a clearly named container please with lid or plastic wrap on top.

Sea Themed Miniature Garden

Each child will create a miniature garden with a SEA theme - this could be a beach garden or something you might find under the sea!

Please send the following items to school in a named container. This garden **must** be created at school so please do not send any items pre-assembled, however children can plan their design at home. It could be a good idea for your child to bring in a drawing or inspiration pictures to help with creating their garden at school.

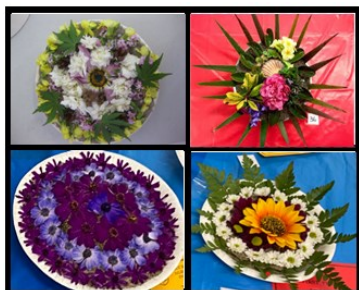

Please bring:

- A selection of plant-life to make your sea-themed garden. These could be weeds, flowers, greenery and/or succulents.
- A selection of unique items to make your garden look like it belongs in or by the sea ie, painted rocks, marbles, shells, plastic sea creatures, furniture made from sticks.

Children will be given a tray at school and a small selection of craft materials to use if they wish.

All items for the miniature garden must be brought to school by **Friday 27th September** please.

Sand Saucer

Children will create a sand saucer using flowers and greenery to decorate. Their objective is to cover the sand with the flowers and greenery by making a symmetrical pattern.

Paper bowls and sand will be provided.

Flowers need to be brought to school by **Friday 27th September** please.
